EXPERIENCE

Feb 2022-Present

Gala Games, Denver, CO
Story Game Designer, Dungeon Master
- Worked across game design and marketing teams to iterate and expand content around story of game universes.
- Facilitated game story sessions between departments to provide opportunities for individual development and community building through fantasy role play and coaching.
- Collaborated with People team to restructure employee onboarding experience, evolving to reflect gamified fantasy.

Feb 2021-Present

Counterspell Culture, Los Angeles, CA
Design Consultant
- Collaborated with designers on pre-publication content for sensitivity review and implemented inclusive changes when necessary.
- Wrote art briefs for characters, ensuring that print and illustrations were appropriately representative of the identities that were being depicted.
- Facilitated DEI intervention workshops and leadership programs for game design teams.
Previous clients include: Wizards of the Coast(Dungeons & Dragons), Gala Games(Various), and Fantasy Flight Games(Arkham Horror).

Jan 2020-Present

RicoRicoRPG, Los Angeles, CA
Narrative Designer
- Designed and playtested bespoke TTRPG releases of adventures, player character options and homebrew worlds. Wrote art briefs for commissioned work.
- Established and maintained online community of patrons for Dungeons & Dragons content.
- Worked with educators to align game design to classroom standards and integrate gaming into curriculum.
